TRIAL SITE AND DIRECTIONS

The trials will be held at Camp Easterseals which is located in the Blue Ridge Mountains in Craig County at 900 Camp Easter Seals Road, Newcastle, Virginia 24127. **Please note that that some GPSs may not recognize the address.** This is a natural setting and exhibitors should be aware of their surroundings and that wildlife may be present. Camp Easterseals is approximately 45 minutes from Salem/Roanoke. For general site information, please visit Camp Easterseals website at https://www.easterseals.com/NCVA/our-programs/camping-recreation/https://www.roanokecountyparks.com/219/Camp-Roanoke.

Directions from I-81 (travelling North to South): Take Exit 150B to Route 220 North. Drive approximately 9 miles to Fincastle and turn Left on State Route 606 (the road is immediately after a Dollar General Store). Follow State Route 606 approximately 10 miles over a winding road. Turn Left at the Camp Easterseals UCP sign.

Directions from I-81 (travelling South to North): Take Exit 140 and turn Left onto Route 311. Drive a little over 1 mile to the roundabout and take 3rd exit to stay on Route 311. Drive approximately 20 miles to New Castle. Turn Right onto State Route 615 and drive approximately 7 miles. Turn Right onto State Route 606. Turn Right at the Camp Easterseals UCP sign.

Food will not be available on site. Please bring your own snacks and drinks. Also, please bring water for your dog and shade for your vehicle. Because of the trial site's location in the mountains, the weather can be variable and the temperature can be cooler than in town, closer to Salem/Roanoke. Please bring appropriate trial gear.

Exhibitor parking will be in a paved lot to the right after you have entered the camp. This parking area is not able to accommodate oversized vehicles or motorhomes. A SCCTC member will be available to assist with parking and will direct you to park in a different location (approximately 200 yards away from the parking lot) if you are driving an oversized vehicle or motorhome. Exhibitors will work out of their vehicles. Crating space will not be available at the site.

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Searches may require exhibitors to walk distances on varied terrain (grass, gravel, paving) from the parking area to access the various search areas. **Also, one or more searches will involve climbing stairs in a two story building**.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state, "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

COMMUNICABLE DISEASES PRECAUTIONS / GUIDELINES

An inherent risk of exposure to communicable diseases exists in any public place. Communicable diseases can be extremely contagious and/or lead to severe illness and death. Event attendees voluntarily assume all risks related to exposure to any disease related to humans and canines.

There are no special health restrictions at this time. If that changes, SCCTC will notify all exhibitors.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs SIX (6) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete.

Condition of the Dog. Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

Novice A classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither scent work judges nor have worked as professional detection dogs handlers. **Novice B c**lasses are open to all dogs. The **Detective** class is open to dogs who have achieved any Master title within the Odor Search Division. The exhibitor is fully responsible for entering the dog in the correct class(es)/divisions. Failure to do so will result in the cancellation of qualifying scores.

Inquiries may be directed to the Trial Secretary at trialsecretary.scctc@gmail.com . No entry shall be made and no entry shall be accepted which specifies any conditions as to its acceptance. Checks with conditions or limits (including postdating) will not be accepted.

The Opening Date for entries is 8:00 AM (EDT), Tuesday, August 25, 2026. **The Closing Date** for entries is 8:00 PM (EDT), Wednesday, September 23, 2026. Entries received either before the opening date or after the closing date will not be accepted. Entries will be processed on a first received basis. By providing an email address on the entry form you agree to electronic correspondence for confirmation letter and judging program.

Entries Must Be Submitted On An Official American Kennel Club Form, signed by the owner or authorized agent. Entries not on an official AKC entry form and photocopies of entry forms without the agreement and rules on the reverse side of the official AKC entry forms are not acceptable. Unsigned entry forms, as well as entry forms that are delivered by e-mail or facsimile transmission, will not be accepted.

Owners Are Responsible for errors in entry forms and no entry fee will be refunded in the event of an error or cancellation of entries after the closing date.

Illegible Entries will not be processed and will be returned to the exhibitor. Returned checks do not constitute a valid entry and Star City will add a $25 collection fee to the amount of each returned check.

Entries Will Not Be Accepted Without Fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge or barred from competition by action of the Show Committee, except for bitches who come into season after the closing date, for whom the SCCTC will refund the applicable entry fee less $3 per run, per day. Exhibitors must submit a refund request to the Trial Secretary no later than thirty (30) minutes prior to the start of the first class of the first day of a trial in which the dog is entered.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, extreme weather conditions, health emergencies, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of SCCTC. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

A Preliminary Confirmation of the receipt of an entry will be made as soon as practicable if an exhibitor legibly includes an active e-mail address on the completed entry form. A final confirmation of an entry and the judging schedule will be forwarded to each exhibitor after the closing date. If you have not received a final confirmation within four days of the trial date, please contact the Trial Secretary. The final confirmation and judging schedule will be sent by e-mail unless the exhibitor does not have an active e-mail account or unless the exhibitor specifically requests otherwise, in which case the final confirmation and judging schedule will be sent by US mail.

WAIT LIST INFORMATION

SCCTC is offering a wait list to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of **25 entries** will be placed on the wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to the closing date/time. Any entries withdrawn that are received by Monday, October 5, 2026, at 6:00 PM (EDT) will be replaced by a wait list entry if any are available. If a withdrawn entry is replaced by a wait listed entry a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial by Monday, October 5, 2026, at 6:00 PM (EDT) will receive a full refund.

TRANSFERS (Move-Ups)

Same day Transfers between the two trials on Saturday <u>WILL NOT</u> be accepted. Transfers between days <u>WILL</u> be accepted.

A move-up transfer may be requested if, according to the owner's records, the handler and dog are eligible and the dog has completed the requirements for the title after the closing date of the trial in which the entry has been made. A move-down transfer may be requested if the owner mistakenly entered the dog in a higher level class for which the dog is not eligible. A lateral transfer may be requested if the owner mistakenly entered the dog in Novice A and the dog is not eligible.

Transfers (including transfers between an "A" and "B" class at the same level) must be made in writing and must be received by the Trial Secretary in accordance with the applicable AKC Regulations. For transfers made prior to October 8, 2026, emails will be accepted as long as the email includes the dog's call name and AKC registration number, owner's name, original class entered, and new class requested. For transfers made at or on the days of the shows, the request must be made on AKC approved forms which are available online at the AKC's website, http://images.akc.org/pdf/events/Scent_Work_Transfer_Form.pdf, as well as from the Trial Secretary. In addition to the submission of the required information to the Trial Secretary, the exhibitor must pay the difference in the entry fee, if any, necessitated by the move-up. For example, if an exhibitor moves from Advanced to Excellent in an element, the exhibitor will owe an additional $10 per run in entry fees. Further, a move-up transfer to Detective will be offered only if the entry limit for Detective has not been reached.

HANDLER'S BRIEFING, DEBRIEFING/AWARDS, STAGING AREA, AND WARM-UP INFORMATION

A **General Handler's Briefing** will be held each morning in the parking lot. These briefings will be as brief as possible. There will be no group element briefings or walk-throughs. Each competitor will receive a brief description of their search from the judge prior to their run and be given a moment at the start line to view the area and ask any questions.

Debriefing and Awards. There will not be a post-trial debrief or awards ceremony. All ribbons will be self-serve after the results for each element are posted. Exhibitors may leave after they are finished for the day. If an exhibitor feels they

have won HIT for their level, they should verify with the show secretary or another committee member before they take their HIT ribbon.

Staging Areas will be out of view of search area(s). Staging areas will include warm-up and waiting area as well as check-ins and posting of running order and results.

Warm-Up Area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers in the warm-up area if they choose.

SEARCH AREAS AND CONDITIONS

Search Areas may be of any shape and of the size specified in the regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, hardwood, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, wood or asphalt surfaces. Outdoor searches may not be under cover. Searches may require exhibitors to walk distances from the parking area(s) to access the various search areas. **Also, one or more searches will involve climbing stairs in a two story building. SCCTC will make every effort to accommodate the needs of individuals with mobility issues, if that is practicable.**

NOTICE TO EXHIBITORS

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs. Any exhibitor whose dogs create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. SCCTC, its agents, employees, etc. assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property. SCCTC reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against SCCTC or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Judges are not required to wait for dogs. The owner/handler of each dog is solely responsible for having it ready at the search area when it is to be judged. SCCTC has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Exhibitor Check-in. Exhibitors must check-in for each element in each trial in which they are entered. You'll receive your armband number in emails of confirmation. Check-in stations are next to parking lot area.

SCCTC will allow trial **c**ommittee members to enter and handle dogs owned or co-owned in the trial. In addition, dogs owned or co-owned by a member of a committee member's household may be entered in the trial.

The Trial Site will be open to exhibitors from 7:30 AM (EDT) on Friday, Saturday and Sunday, and will remain open each day until one hour after the completion of judging.

Judging is expected to start at the following times:

Date	Event	Task	Time
Fri, October 9, 2026	Trial #1	Briefing Start of Judging	No earlier than 8:00 AM No earlier than 5 minutes after completion of briefing

Sat, October 10, 2026	Trial #1 and Trial #2	Briefing	No earlier than 8:00 AM
		Start of Judging	No earlier than 5 minutes after completion of briefing
Sun, October 11, 2026	Trial #1	Briefing	No earlier than 8:00 AM

Note: For Saturday, Trial #1 and Trial #2 will run concurrently

Please consult the judging program and final confirmation for more specific information on briefing, judging, and the running of the trials. Also, Judges may take a lunch break at their discretion, and any such break may impact the running and completion of the trials.

Exhibitors, Handlers and Others Attending the Trial waive any claim for damages against SCCTC or its members or agents in the event a motor vehicle must be entered to rescue a dog from overheating or suffocation because of improper ventilation.

Exhibitors are encouraged to obtain a copy of the Regulations for Scent Work, by downloading from http://images.akc.org/pdf/rulebooks/RSW001.pdf

VOLUNTEERING

SCCTC could use your help with the running of the trial. Please consider volunteering.
